Documents for proof of identity

Please check the correct information about the domain owner.

- Company with offices outside of China:** Please attach a scan or photocopy of the trade license or the current extract from the commercial register as PDF or JPG file.
- Company with an office in Mainland China:** Please attach your valid Chinese business license or the "Registration certificate of the representative office of foreign (regional) companies based in China" as a PDF or JPG file.
- Individual:** Please attach a scan or photocopy of a personal government-issued identity document (such as a passport, national identity card, or drivers license).

Terms & Conditions/Notes

(1) The Applicant is advised to provide all information requested and confirms that all information provided in this application is true, complete and correct, and is not misleading in any way. Incomplete or incorrect information provided on this form may result in this application being rejected, or the domain name may be removed even after registration.

(2) The invoice will be sent in electronic form after the application form is signed and submitted by Applicant. The Applicant shall pay the registration fees within 15 working days. If Applicant does not pay the registration fees on time, it will be regarded as abandoning the registered domain name & internet keyword.

(3) If the domain name & internet keyword required by Applicant fail to be successfully registered, the payment will be refunded in full to Applicant.

(4) The internet keyword and domain name will be protected by law after this registration is completed and Applicant will receive an electronic certificate.
